Citizen's Police Academy

Wednesday Evenings From March 14 - June 6, 2018 from 6:00pm-9:00pm

PURPOSE:

Community Oriented Policing plays an important and vital role in reducing crime. Therefore, the Monroe Police Department instituted the Citizen Police Academy (CPA) to improve communication and to obtain citizen input and support throughout the Village of Monroe. Attendees of the CPA will be given an opportunity to learn first-hand about the inner workings of the Monroe Police Department and will obtain a better understanding of our mission, practices and operations. The academy gives our citizens first-hand information on how and why the Department operates, and examining the culture of police work and the organization. It provides an excellent opportunity for the citizens to interact with Department members.

GOALS:

One of the goals of the Citizen Police Academy, of course, is to help the residents of Monroe to better understand how policing is conducted their community. It is hoped that all graduates of the Citizen Academy will get to know more about the men and women who are protecting their community and learn how and why they make the decisions they do while performing their duty. It is our hope that the graduates will become partners with us in identifying problems and solutions to the crime issues that are affecting our community. Graduates will gain knowledge that they can implement to enhance the quality of life in their respective neighborhoods.

WHO CAN ATTEND?

The Monroe Police Department will consider applicants who reside or own a business in the Village of Monroe or reside in the Town of Monroe. Individuals must be at least 21 years old and have no felony arrests.
