

Village Notice on Renovations

November 30, 2023

Good afternoon,

Our Village Hall at 7 Stage Road, was a gift from Mr. and Mrs. Roscoe Smith in 1959. It has been our home for the past 64 years, and the business of the Village has grown tremendously.

As such, it needs to be updated, including; new flooring, interior space modifications, electrical, plumbing, lighting, flooring, interior / exterior painting and facade work.

Beginning December 1st and continuing through approximately April 15th, we will be undertaking this work.

We are making preparations to accommodate the business of the Village by installing temporary housing at the rear of our Village Hall. We will be relocating the Clerk's Office, Building Department, Water Billing Department, Treasury Department, Planning and Zoning Department.

The temporary office will be delivered on Friday, December 1st, and we will begin the process of making it ready for staff, which we anticipate will be ready for January 1, 2024. We will continue to update this process and advise our residents and everyone doing business in the Village in a timely fashion.

The temporary housing will be fully ADA compliant.

Anyone needing assistance, or having questions, we ask that you contact the Clerk's Office at (845) 782-8341, and they will be glad to assist you.

Thank you for your patience and understanding in advance as we begin our much-needed makeover.

Respectfully,
Neil S. Dwyer
Mayor
Village of Monroe
